WORLD CLASS STANDARDS. EXCEPTIONAL CARE.

Your Health and Comfort is our Priority.

Our Key Strengths

Comprehensive Medical Examination

We provide comprehensive and personalized "Japanese-style" healthcare plans that contribute to the early detection and prevention of disease.

Double-Reading by Japanese and Filipino Experts

We provide double reading and consultation of results with Japanese expert doctors. With this, precision is provided to patients.

State-of-the-art Medical Technology

We utilize advanced and sustainable technology where procedures are done quickly and comfortably for patients.

Health Packages

From basic to the most comprehensive health examinations based on Japan's standards, our packages can be tailored to individuals depending on age, gender, medical and family history and more.

Optional items can also be added on top of our extensive health packages to provide you with significant insights about your current health status, and identify any future health risks.
